- Read books that fit each square and when you complete a row, column, or diagonal, bring in your completed sheet to the library and you'll win a small prize. For every small prize you win, your name is entered in a raffle to win a BIG prize!
- The more rows, columns, and diagonals you complete, the more times your name gets entered to win the BIG prize.
- You can use a book for only one square. You can read books you've read before (but you actually have to reread them).
- If you want to store your bingo sheet in the library, we will happily hang on to it for you.

Check the other side of this sheet for recommendations in each category (you can read any book that fits the category, these are suggestions to get you started).
